

Technical drawing of a mechanical component, likely a valve or actuator assembly, showing two views: a front view (top) and a side view (bottom).

Front View Dimensions:

- Total width: 103
- Distance from centerline to right edge: 50
- Top flange width: 115
- Height of top flange: 115
- Distance from left edge to centerline: 94
- Bottom flange diameter: $\phi 92$
- Overall height: 337

Side View Dimensions:

- Internal bore diameter: $\phi 230$
- Outer diameter at base: $\phi 298$
- Maximum outer diameter: $\phi 350$
- Thread specification: M20
- Base thickness: 5
- Distance from centerline to base edge: 96
- Distance from centerline to thread start: 90

Technical drawing of a mechanical component, showing a side view and a top view. The side view dimensions are: 160, 122, 191, 63, 210, 200, 20, 550, 1127. The top view dimensions are: 415, 208, 200, 145, 367. The drawing includes a central circular feature with a triangular shape inside, and a rectangular feature with a circular hole. The dimensions are labeled in millimeters.
