

Technical drawing of a mechanical component, showing a side view and a top view. The drawing includes the following dimensions and labels:

- Top View Dimensions:**
 - Overall width: 103
 - Distance from left edge to centerline: 40
 - Distance from centerline to right edge: 40
- Side View Dimensions:**
 - Overall height: 115
 - Distance from bottom edge to centerline: 101
 - Distance from centerline to right edge: 103
 - Overall width: 289
- Labels:**
 - 1)
 - M12x19
- Other Dimensions:**
 - 4
 - 45
 - 105
 - 125
 - 150
 - 38

Technical drawing of a mechanical component, showing a side view with dimensions. The component features a central body with a large circular opening, a smaller circular opening on the left, and a mounting bracket on the right. Dimensions are provided in millimeters (mm).

Dimensions:

- Overall width: 584
- Overall height: 254
- Top left section width: 148
- Top middle section width: 116
- Top right section width: 187
- Top middle section width (inner): 115
- Left circular opening diameter: $\varnothing 101$
- Right circular opening diameter: $\varnothing 160$
- Right circular opening diameter (inner): $\varnothing 20$
- Right circular opening height: 63
- Bottom left section width: 150
- Bottom left section width (inner): 75
- Bottom left section width (inner): 63
- Bottom left section width (inner): 94
- Bottom right section width: 203

Technical drawing of a vertical component. The drawing shows a cross-section of a cylindrical part with a flange at the top. The flange has four circular features arranged in a square pattern. A dimension line on the right indicates a height of 279. A leader line points to one of the circular features with the label '1)'. The bottom of the component is shown with a break line, indicating it is a partial view.

Für alle übrigen Maße der Stellantriebe/Getriebe siehe Maßblätter neuester Ausgabe
For all other dimensions of actuators/gear boxes refer to latest issue of dimension sheet
