

Technical drawing of a vertical industrial valve assembly, showing a side view and a top view. The drawing includes the following dimensions and labels:

- Top View Dimensions:**
 - Overall width: 220
 - Distance from left edge to centerline: 103
 - Distance from centerline to right edge: 65
 - Distance from left edge to center of the valve body: 75
 - Distance from centerline to the center of the four mounting holes: 300
 - Distance from the center of the four mounting holes to the right edge: 406
 - Overall distance from the left edge to the right edge of the mounting plate: 475
 - Distance from the centerline to the center of the valve body: 115
 - Distance from the centerline to the center of the mounting plate: 94
- Side View Dimensions:**
 - Overall height: 387
 - Distance from the base to the center of the valve body: 119
 - Distance from the center of the valve body to the top of the mounting plate: 140
 - Distance from the top of the mounting plate to the top of the valve body: 8
 - Distance from the centerline to the center of the valve body: 92 (labeled as $\phi 92$)
- Labels:**
 - M36:** Indicates the thread size of the mounting holes.
 - 1):** Points to the valve body.

Technical drawing of the front view of a mechanical part. The drawing shows a cylindrical body with a flange on the right. Dimensions are indicated: 155 for the main body length, 84 for the flange thickness, and 349 for the total length.

Für alle übrigen Maße der Stellantriebe/Getriebe siehe Maßblatt neuester Ausgabe
For all other dimensions of actuators/gear boxes refer to latest issue of dimension sheet
