

Technical drawing of the front view of a pump assembly. The drawing shows a central pump body with a circular inlet/outlet on the left and a flange on the right. Dimensions are provided in millimeters (mm). The overall width is 234 mm. The distance from the left edge to the center of the pump body is 116 mm. The distance from the center of the pump body to the right edge is 191 mm. The overall height is 255 mm. The distance from the bottom edge to the center of the pump body is 103 mm. The distance from the center of the pump body to the top edge is 65 mm. The distance from the bottom edge to the flange is 50 mm. The distance from the center of the pump body to the flange is 63 mm. The distance from the flange to the top edge is 65 mm. The total height of the flange assembly is 112.5 mm. A note '1)' points to the bottom left corner of the pump body.

A vertical bar divided into seven segments labeled A through G from top to bottom. Segment B contains a left-pointing arrow.
