ANSI A

Technical drawing of a microscope, labeled 'ANSI A'. The drawing shows a side view of the instrument. It features a base with a central vertical axis. A large, rounded, rectangular component, likely the eyepiece or objective lens housing, is mounted on the base. Above this component is a smaller, cylindrical section with three circular features, possibly adjustment knobs or screws. The top of the instrument is capped with a hexagonal nut-like structure. A vertical rod or tube extends from the top. The drawing is a line art representation, typical of technical specifications.

Montage Position A
