

A vertical line with seven horizontal tick marks. The segments between the tick marks are labeled A, B, C, D, E, F, and G from top to bottom.

Technical drawing of the 282 series lamp head. The drawing includes two views: a side view (top) and a front view (bottom). The side view shows a lamp head with a width of 282 mm and a height of 170 mm. The front view shows a lamp head with a width of 162 mm. The lamp head is labeled '1)' and is shown with a mounting bracket. The lamp head is shown in two views: a side view and a front view. The side view shows a lamp head with a width of 282 mm and a height of 170 mm. The front view shows a lamp head with a width of 162 mm. The lamp head is labeled '1)' and is shown with a mounting bracket.

Technical drawing of the 3000 series hydraulic excavator arm, showing side and front views with dimensions.

Side View Dimensions:

- Overall width: 223
- Distance from centerline to the end of the arm: 103
- Distance from centerline to the end of the arm (lower section): 78
- Height of the arm: 166
- Distance from centerline to the end of the arm (lower section): 50
- Distance from centerline to the end of the arm (lower section): 115
- Distance from centerline to the end of the arm (lower section): 102

Front View Dimensions:

- Overall width: 330
- Distance from centerline to the end of the arm: 158
- Distance from centerline to the end of the arm: 75
- Distance from centerline to the end of the arm: 58 (ø)

Other Labels:

- 1)
- A

Technical drawing of a mechanical assembly, showing a side view with dimensions in millimeters (mm). The drawing includes a central body with a large circular feature on the left and a smaller circular feature on the right. The dimensions are as follows:

- Overall width: 850 mm
- Overall height: 312 mm
- Top section width: 199 mm (left), 171 mm (right), 162 mm (center)
- Top section height: 154 mm (left), 154 mm (right)
- Left section width: 161 mm (left), 122 mm (right)
- Left section height: 124 mm (left), 250 mm (right)
- Right section width: 63 mm (left), 200 mm (right)
- Right section height: 235 mm (left), 344 mm (right)
- Bottom section width: 125 mm (left), 125 mm (right), 173 mm (center)
- Bottom section height: 210 mm (left)

Technical drawing of a stepped shaft. The drawing shows a shaft with a total length of 75. A step is located at a distance of 4,5 from the right end. The diameter of the main shaft is $\varnothing 121$, and the diameter of the step is $\varnothing 130$.

Mounting position A

All dimensions in mm

For all other dimensions of actuators/gearboxes, refer to the latest dimension sheet issue
