Technical drawing of a mounting bracket. The drawing shows a side view of the bracket. The top flange has a width of 115mm and a height of 298mm. The bracket features four circular holes arranged in a 2x2 grid. A dimension line indicates the width of the top flange as 115. A vertical dimension line on the right indicates the height of the top flange as 298. A small detail view '1)' points to the top flange.

Technical drawing of the front view of a vehicle component. The drawing shows a symmetrical shape with a width dimension of 150 and a height dimension of 410. A callout '1)' points to a circular feature on the left side of the lower section. The drawing is a line drawing with no shading.
