

[illegible]

Technical drawing of the 1000 Series LED Flood Light showing side and front views with dimensions.

Side View (Top): Shows the overall length of 293 mm and the mounting bracket height of 166 mm. A label '1)' points to the mounting bracket.

Front View (Bottom): Shows the mounting bracket height of 162 mm. The light head features three circular LEDs arranged vertically.

Technical drawing of a mechanical part, showing a side view and a front view.

The side view (top) shows a cylindrical component with a diameter of 307 and a height of 170. A dimension line indicates a distance of 1) from the centerline to the edge of the front view.

The front view (bottom) shows a cross-section with a diameter of 162 and three circular features. A dimension line indicates a distance of 1) from the centerline to the edge of the front view.

Technical drawing of a mechanical component, showing a side view and a top view. The side view includes dimensions: 119, 67, 90, 115, 107, 368, 75, 155, 5, and $\phi 72$. The top view includes dimensions: 164, 67, 90, and $\phi 200$. A detail view shows a circular feature with four holes, labeled M16x25, with dimensions $\phi 254$ and $\phi 300$.
