

[illegible]

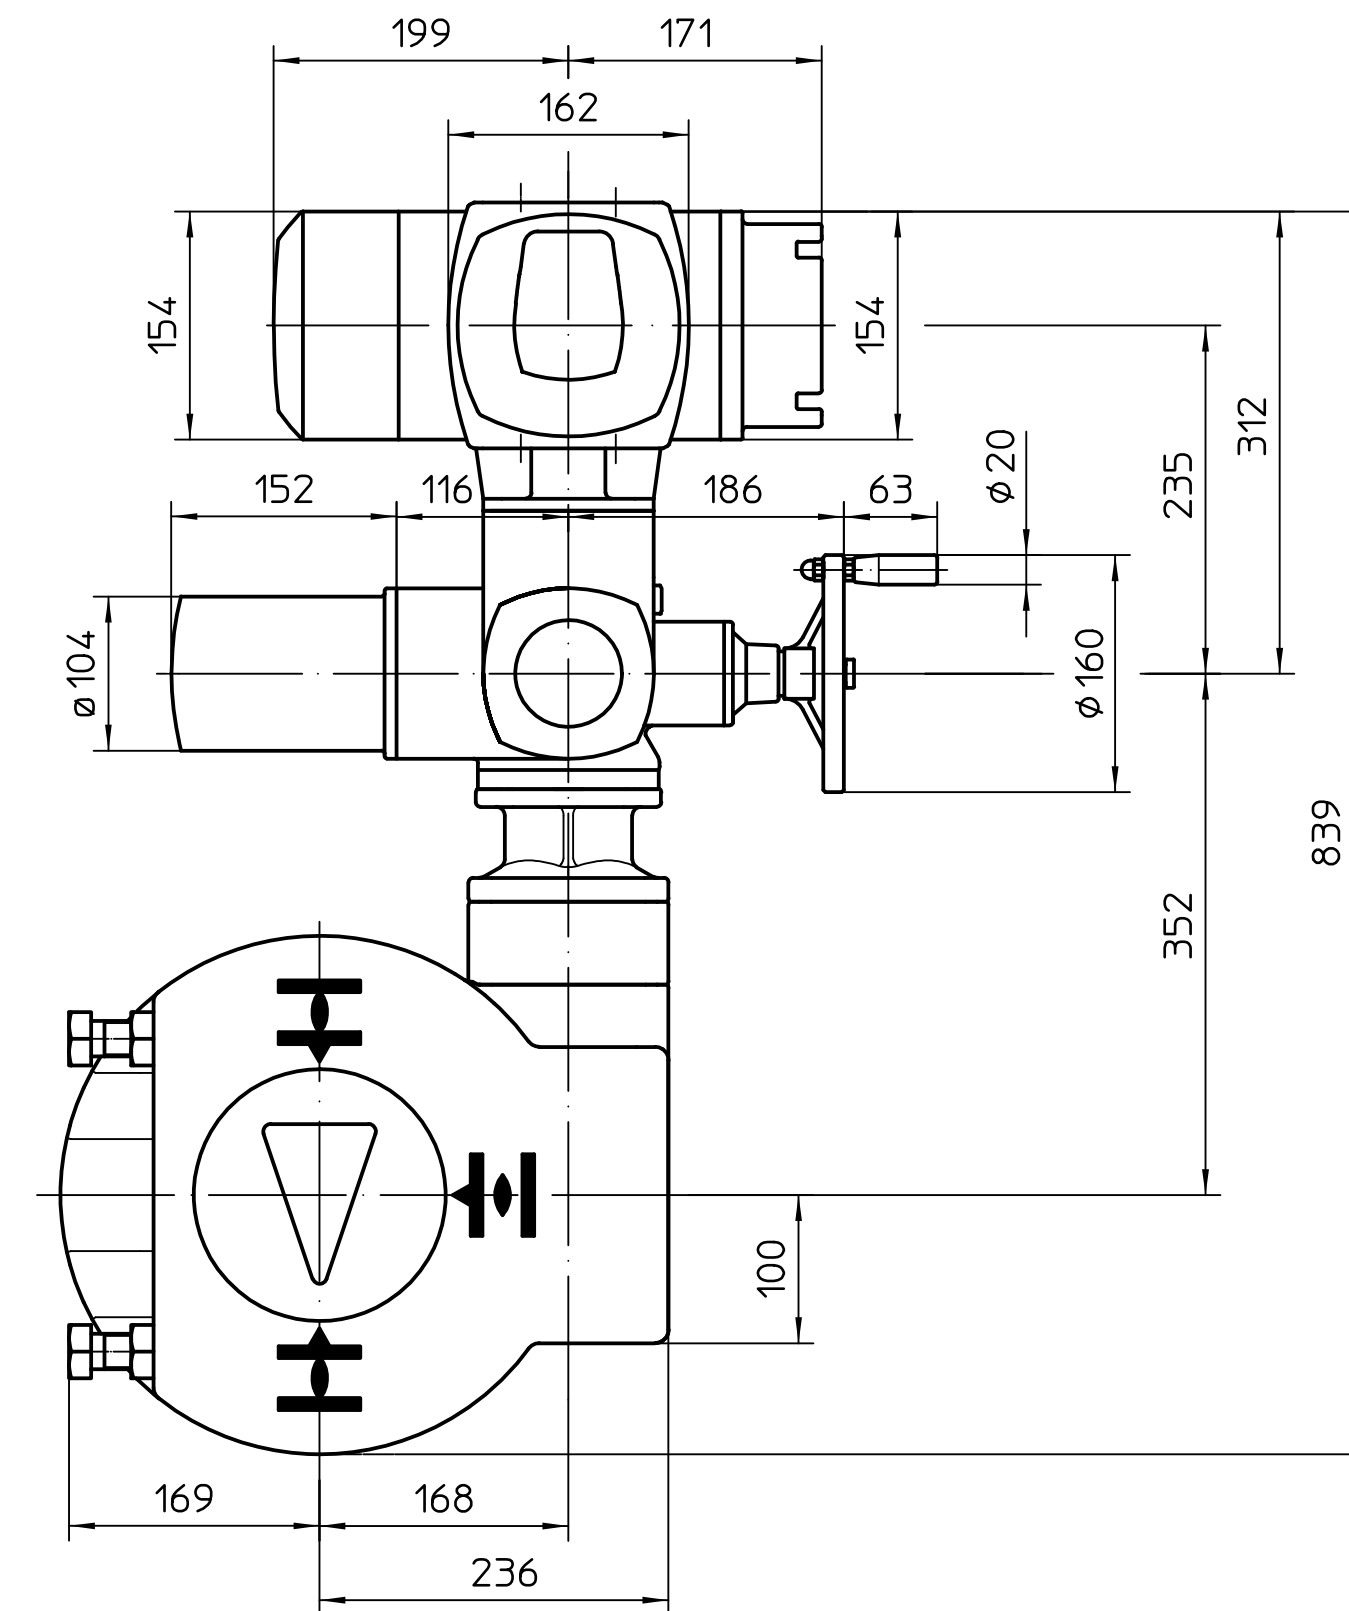

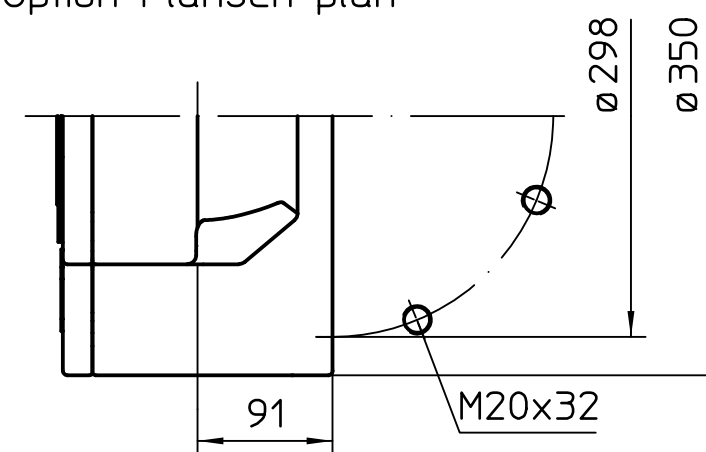

Standardversion KT Exe

The top technical drawing shows the front view of the device. It features a central rectangular body with a flange on the left side. The overall width is dimensioned as 282. The height of the main body is dimensioned as 170. On the right side, there are two circular ports or sensors. A label '1)' points to the bottom edge of the central body.

Option Flansch plan
